

**Clinical Trial:** C-CURE

**Presenter:** Jozef Bartunek

**PI:** Jozef Bartunek and Andre Terzic

**Sponsor:** Cardio<sup>3</sup>Biosciences, Belgium

**Target population:** Ischemic Cardiomyopathy

**Biologic:** Guided cardiopoietic mesenchymal stem cells

**Delivery method:** Endoventricular injection under electromechanical guidance

**Study Phase:** 2

**Primary objective:** Feasibility and safety

**Essential design:** Randomized, controlled, open label, blinded core lab analyses

**Clinical center** Multi-center
